I have no further records for Lancelot G T Dixon. His wife Mary was a widow on the 1901 Census. (Also shown as deceased as per son Lancelot's Marriage Certificate in 1900). I have checked various deaths at sea etc but have found nothing to date.

I believe Mary E Dixon (Lancelot G T's mother) died in Penrith in the December Q of 1896. I found an entry, which appears to fit in the Free BMD records. George Dixon died between 1851 & 1861 according to the Census records. I have found a few entries between these dates in the Free BMD but not enough information given to be sure.
